**“EMBRACE. EMPOWER. ENERGIZE.” FOCUS OF INDUSTRIAL SHOWCASE IN PLACENTIA**  
*Placentia Bay Industrial Showcase Taking Place This Week*

(September 17, 2024 – Placentia, NL) The Placentia Bay Industrial Showcase will take place in Placentia on Wednesday, September 18 and Thursday, September 19, 2024. The two-day event, hosted by the Placentia Chamber of Commerce, will showcase the activities taking place in the Placentia Bay Region. The event will bring together delegates, exhibitors, government officials, speakers and individuals seeking opportunities for information sharing and networking.

Under the theme *‘Embrace. Empower. Energize.’*, the showcase aims to emphasize the significant role that the Placentia Bay region has in the economy of our province. The conference agenda will underscore the immense potential for continued growth and success across various sectors. It will gather key stakeholders to explore the diverse industries active in the region, including oil and gas, aquaculture, green energy, mineral processing, and transportation.

“The Placentia Bay Industrial Showcase will provide crucial networking opportunities to help our region secure positive opportunities with ongoing and future projects,” said Chamber of Commerce President, Wayne Power.

“We have developed an engaging agenda that will encompass exclusive project updates, valuable industry insights, keynote speeches, and ample networking opportunities,” said Planning Committee Chairperson, Pamela Constantine.

The complete agenda is available online at: <https://pbis.placentiachamber.ca>.
