## **‘CATCH THE CURRENT’ THEME POWERS 2025 PLACENTIA BAY INDUSTRIAL SHOWCASE**

*Placentia Bay Industrial Showcase Taking Place This Week*

(September 16, 2025 – Placentia, NL) The Placentia Bay Industrial Showcase (PBIS) will take place on Wednesday, September 17, and Thursday, September 18, 2025, in Placentia. Hosted by the Placentia Chamber of Commerce, this two-day event will highlight the dynamic economic activity taking place throughout the Placentia Bay region.

Under the theme **“Catch the Current,”** the showcase will emphasize the region’s vital role in driving economic development in Newfoundland and Labrador. The agenda will spotlight opportunities for growth across key sectors such as oil and gas, aquaculture, green energy, and transportation. PBIS will bring together delegates, industry leaders, exhibitors, and entrepreneurs for a full program of project updates, keynote presentations, expert panels, and strategic networking.

“The Placentia Bay Industrial Showcase will provide crucial networking opportunities that can help our region capitalize on both current and future projects,” said Wayne Power, President of the Placentia Chamber of Commerce.

“We’ve developed a dynamic agenda featuring insightful presentations, project developments, and meaningful opportunities for collaboration,” added Pamela Constantine, Chair of the PBIS Planning Committee.

The event is a key platform for fostering partnerships, sharing insights, and exploring investment and innovation across the region.

The complete agenda is available online at: <https://pbis.placentiachamber.ca>.
